Dear Sir,

To USPTO finance Dept as recommended by Michael Spears, (my fax is copied below, with the 9 Pages I sent him, as following)  
**Patent No 10/534841**

The Pages which I am sending following were sent to the Mail Stop FAX number (571) 2732885 yesterday the 22<sup>nd</sup> April 2008

However I have been advised by Michael Spears that it should have also been sent to you.

I will fax the 5 Pages with the Verification from the Post Office – but I will add the scans of the Money Orders and the Scan of the EXPRESS envelope as well.

As I sent to Michael (on his private fax number)

My own phone and Details are as below = Phone number is Brisbane 07 38498240 –

Full address is 18 Menkira St Mansfield 4122 – Brisbane Queensland Australia

I would be very grateful if you could keep me informed when the Guaranteed 3 day “EXPRESS” delivery is received. (I did send a previous Payment on the 18<sup>th</sup> April by “WESTERN UNION” to your USPTO address PO BOX 1450 , but as there was no one to pick it up from their 7-11 depot in Virginia– they refunded most of it and I am now sending it again this way as Michael recommended.

I will try to phone you straight away – on 5712724200 as Michael has recommended.

Best Wishes  
Malcolm Dean

Dear Mike,

The following pages are what I have sent to Ivan Dixon by fax (following in this FAX) and what the Post Office here sent to the addresses you directed me to by post (as you will see attached following this FAX).

The Post Office also sent them by FAX to the optional FAX number again which is at the heading of the “PART B” (which directs things to the “Mail Stop ISSUE FEE Commissioner) FAX (571) 273 2885

Can you please confirm that it is all going well – as the Post Office guarantees three days delivery by their "Express Post" – "Money Order" they sent (See the Delivery FAX verification for 5 pages is also attached. (As was filled out properly this time, according to your instructions.)

My main Phone number is Brisbane 07 38498240 –  
Full address is 18 Menkira St Mansfield 4122 – Brisbane Queensland Australia

As I said - I am very grateful for you finding a way to get this payment to you in time by the 25<sup>th</sup> April 2008.

If there is a need to have "Backup" Credit Card Payment – can you give me the exact instructions where it is made payable to please.

As I do have another couple of Patent Attorneys getting involved, (not in the US) who could do it (in emergency –).

Really grateful  
Malcolm Dean

Dear Ivan, Patent No 10/534841  
I filled out the form you sent (as attached) and it was sent direct transfer payment through Western Union to the Patent Office.(from the Post Office here)

I am also sending the other form "PART B" which the Post Office didn't send but ONLY used the Fax number and address of it to send your one to..

Can you give me any advice please, as I only had till 21<sup>st</sup> April to get it there.

Regards,

Malcolm Dean
